### YOUTH OPTION PARKING POLICY

All Youth Option students need to register their vehicle with the Campus Parking department. If you will be using more than one vehicle, you can apply for an additional permit.

If at some point during the semester it becomes necessary to drive a different vehicle to campus, please call Campus Parking (403-3948) with the following vehicle information: make, model, color, plate # of the vehicle, so a new permit can be recorded.

All Youth Option students MUST park in the Kress visitor lot - Lot 14 on the corner of Third and Grant (see map on reverse side). If for some reason this lot is full, you can then park in the PAC Lot 3 on Reid Street. PAC is only to be used when Lot 14 is full.

Tickets will be issued to students who illegally park in handicapped spots or no parking areas.
